

GRANDVIEW AMNESTY PROGRAM

Grandview Municipal Court realizes that now more than any other time, citizens are facing financial hardships that many have never had to endure before.

As we come together in this new way of life, we will hold an Amnesty Day on October 16th from Noon to 4:00 p.m. This program is for Grandview Municipal warrants only.

This program is designed to assist anyone who wants to take care of their outstanding warrants, without the fear of being arrested.

This is also a way for individuals, who pay their fines and fees, to receive compliance notices and release forms, so they may get their driver's licenses reinstated.

Anyone wanting to learn if they have outstanding warrants can check online at www.grandview.org or contact the clerks at 816-316-4837.

The Grandview Municipal Division Court is located at 1200 Main Street, Grandview, MO.
