SPOTLIGHT

GATEWAY VILLAGE SPORTS COMPLEX: FIELD OF DREAMS TO BECOME REALITY FOR DEVELOPERS, GRANDVIEW

"A dream of mine." That's how Gateway Village visionary and former Kansas City Chief Deron Cherry described the first-of-its-kind sports complex at a public hearing on June 14.

That night, the Grandview Board of Aldermen made Cherry's dream come true with a unanimous vote to approve pay-as-you-go financial incentives for Cherry and partners Kurt Pycior and Shane Hackett.

The nearly \$235 million dollar project will be a unique mix of soccer fields, hotels, and retail space. A play and stay destination for families traveling to soccer tournaments. "This project is a one-stop shop for families." says Mayor Leonard Jones, "People will be playing, staying and eating in Grandview."

Crews and bulldozers are already at work clearing the land between Byars and Kelley Roads. The plan is to complete Gateway Village in four phases: the first being 14 soccer fields,

more than 100,000 square feet of retail and commercial space, as well as nearly 50,000 square feet of commercial and residential space.

Developers will soon don hard hats alongside Grandview Mayor Leonard Jones and the Board of Aldermen in a groundbreaking ceremony expected this summer.

The first soccer fields are expected to be ready for play by spring of 2017.

MARSHAL'S FIRE CORNER

We are seeing too many kitchen fires. Cooking-related fires are easily preventable, so take a moment and read these safety tips:

- STAY IN THE KITCHEN WHILE COOKING
- HAVE A LID NEARBY TO COVER A POT/FRYING PAN
- IF YOU SEE FLAMES, TURN OFF THE BURNER AND PUT LID ON POT OR PAN
- DON'T USE WATER ON A GREASE FIRE
- DON'T CARRY A BURNING PAN TO THE SINK
- DON'T WEAR LOOSE FITTING CLOTHES WHILE COOKING
- HAVE AN ABC POWDER TYPE FIRE EXTINGUISHER NEARBY

MAIN STREET MAKEOVER

Towering improvements are literally taking shape on Grandview's Main Street.

The base of a brick tower is now rising from Main Street at the West Frontage Road. When construction is completed later this summer, a huge Grandview sign will then be placed on the tower. Everyone will be invited to watch, so check our social media pages and website for details. When finished, the sign and tower will rise about 60 feet above Main Street.

Other improvements include stamped brick crosswalks and low brick barriers that double as seating.

Thanks for your patience as we work to make Grandview even more beautiful.
