## Program Summary

**Department:** Mayor & Board of Aldermen

**Fund:** General

**Program:** Policy & Legislation

### Program Description

As elected representatives of the community, the Mayor and Board of Aldermen determine all matters of policy through their legislative power as stipulated in the City Code. The Board exercises budgetary control through their review and adoption of the annual budget. The Board appoints various citizen committees that give advice on legislative and policy-related matters. In addition, the Mayor and Board members represent the City government through attendance at various state, county, and municipal conferences and meetings.

This program funds many of the initiatives of the Board of Aldermen including various studies, special projects, the annual audit, and economic development efforts beyond those that are performed in the Economic Development Enhancement Fund or by the Grandview Chamber of Commerce.

### Program Objectives

1. Continue to use the Transportation Sales Tax and Capital Improvements Sales Tax revenues to upgrade the infrastructure and transportation systems
2. Complete 155th Street widening project in conjunction with the City of Belton
3. Continue park and public safety projects promised to voters as part of the 2014 bond referendums
4. Work in cooperation with MoDOT to find possible remedies for the City's one-way highway frontage roads
5. Work with developers to develop the proposed soccer complex on MO150 Highway
6. Utilize the benefits offered by the City's enhanced enterprize zone status to promote and attract new businesses, expansions, and jobs

## Program Summary

**Department:** Mayor & Board of Aldermen

**Fund:** General

**Program:** Legal Services

---

### Program Description

The City contracts with private law firms to provide legal counsel for the City on various legal matters including land use, employment, civil actions, and other issues. The firms' work includes the issuance of legal opinions; preparation of ordinances, resolutions, contracts and agreements; and conducting civil litigation on behalf of the City. The City's special counsel also provides review of various actions by the Board and staff to assure legality and limited liability.

Where possible, legal costs that may be associated with specific projects that are funded out of another fund are billed to that fund in order to reflect the true costs of that project.
