

City of Grandview, MO
Request for Proposal (RFP)
Streets Pavement Condition Assessment

The City of Grandview, Missouri is seeking proposals from qualified Service Providers to provide pavement evaluation services for all City maintained streets. The Service Provider selected for the Pavement Evaluation contract will serve as subject matter expert for the City's pavement management program by interpreting and consolidating data acquisition results and providing maintenance recommendations based on budgetary constraints and pavement deterioration projections.

Proposals for the Streets Pavement Condition Assessment will be accepted electronically using the QuestCDN® website (City of Grandview - Projects (questcdn.com)) until **4:00 P.M. on November 29th, 2023**. Proposals submitted by QuestCDN® are subject to a fee. Proposals submitted after the acceptance deadline will not be accepted.

A potential contract would include services for pavement condition analysis and maintenance planning services for approximately 118 street centerline miles within the City's street network.

Inquiries, questions and requests for clarifications are to be directed in writing via email to the following **no later than November 21, 2023**:

Athena Huynh, City Engineer
